Re: Green v. Central Office Review Committee, et al.,
07 Cv. 4536 (RMB)(JCF)

Dear Judge Francis:

This is a pro se inmate matter involving many claims and defendants. At this time only nine of the twenty-five individual defendants have been served with process despite your Honor's March 6, 2008 order requiring service of plaintiff's amended complaint by April 15, 2008. Although the remaining sixteen unserved defendants are alleged to work or have worked at Green Haven Correctional Facility (Compl. ¶ III), the facility has not received papers regarding this matter since May 2, 2008. Accordingly, it is respectfully requested that the unserved defendants be granted leave to dismiss plaintiff's amended complaint for failure to effect proper service. It is further requested that the served defendants time to answer or move be extended from June 16, 2008 to August 15, 2008.

This is defendants' second request for an extension of time to answer or move. Defendants' first request was granted on April 9, 2008.

6/9/08

Time to answer or move
is extended to July 15, 2008.
No further extensions.

Provided that the Office of

the Attorney General has authority to appear on behalf of the
unserved defendants, those
defendants may move to dismiss for lack of service.

Respectfully submitted,

WESLEY E. BAUMAN
Assistant Attorney General
